The La Cuina card is used to substitute * the "restaurant tickets" assignments.

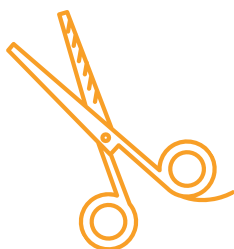

* Provided that the size of the company is compatible with our service capacity.

No commissions

FREE

We do not charge commissions for restaurant deposits.

Deduct VAT

We issue an invoice for the amount of the loaded money with a deductible 10% VAT.

Deposit Bonus

For allowances over € 100 per month, La Cuina provides a 2% bonus to the employees.

* The worker gets a 7% direct bonus. (2% + 5%)

Money loading system for firms

- Every month, La Cuina provides the company with a standardized Excel file.
- The company returns to La Cuina the Excel file with the data of the benefited workers and the amount of money that is to be loaded in the card per employee.
- Once the file is received, La Cuina issues a Purchase Order and delivers an invoice for the total amount of money loaded in the employee card with detailed VAT and a 20-day expiration date.
- La Cuina proceeds to recharge the money (and bonuses if applicable) on the 1st of each month.
